## What You Need To Know

Fox Hollow Farm is a state-of-the-art Facility with climate controlled classroom, office, restrooms and tack room. We also have a hunter ring, dressage arena, wash stall and beautiful wooded trails.

Our goal is: *"To provide a safe environment where we can inspire self confidence through the love and knowledge of horses."* Our emphasis is always on teaching safety and the art of horsemanship by providing qualified instructors certified with ARIA (American Riding Instructors Association), gentle trained horses and a well maintained facility.

Campers need to bring a bag lunch. We have a full size refrigerator and microwave and water fountain available. Campers will receive a free FHF T-shirt and afternoon snacks at no additional charge. Campers need to come ready to ride in their riding or long pants and boots. An approved riding helmet will be provided if the camper does not have their own.

We recommend that the minimum age for campers be 6 years old, the only exceptions will be five year olds that are participating in a regular weekly riding lesson program. We also recommend that the campers have at least a couple lessons before their camp session starts, campers will get more out of their camp experience if they have some one-on-one riding instruction before camp begins. It is recommended, not required. You may call us and set up appointments for those lessons. They are \$50.00 each for a half-hour private lesson.
